

COUNTRY GOLD – 250g, 500g, 1kg

Description

A reduced fat blend containing cream and vegetable oils

General

The product combines excellent flavour, texture and taste with the “spreads straight from the fridge” characteristic sought by today’s consumer.

The product contains substantial amounts of poly-unsaturated vegetable oils, of interest to those seeking to modify their dietary intake of saturated fats – almost two thirds of the milk fat typically found in butter has been replaced by such oils.

Ingredients

Cream, vegetable oils (including hydrogenated vegetable oils), water, salt, emulsifier: mono- and di-glycerides of fatty acids, stabiliser: sodium alginate, vitamin A, vitamin D, colour: carotene, flavouring

Nutritional information (values per 100g)

Energy	2250 kJ / 540 Kcals
Protein	0.5g
Carbohydrate	0.5g
Fat	60g
of which saturates	22g
monounsaturates	20g
polyunsaturates	12g
Sodium	0.6g

Shelf-life

13 weeks from the date of manufacture if stored at or below 6°C. Extended shelf-life may be achievable under frozen storage. This product can be frozen without detriment.

Conditions of use

The product is suitable for all uses to which butter is put.

Packaging

40 x 250g tubs with heat-sealed foil in fibreboard outer

20 x 500g tubs with heat-sealed foil in fibreboard outer

8 x 1kg tubs with foil coverleaf in fibreboard outer
