

The logo for Dale Farm, featuring the words "DALE" and "FARM" in a bold, white, sans-serif font stacked vertically on a black rectangular background. Below the text is a stylized white wave graphic that curves under the letters.

**DALE  
FARM**

**We are a leading dairy foods company supplying a wide range of consumer and food ingredients products including fresh milk, cheeses, milk powders, butter & dairy spreads, yogurts, desserts and ice cream into the UK, Irish and international markets.**

As a result of a major multi million pound investment programme to significantly grow our cheese output we now wish to recruit for the following exciting opportunities within our retail department at our cheese processing plant at Dunmanbridge near Cookstown.

## **PRODUCTION LINE LEADERS**

In a key line role, you will assume overall responsibility for the retail cutting and packing lines to deliver best in class standards and performance in efficiency, output, quality and safety to satisfy and exceed customer requirements.

Responsibilities include running the lines and associated machinery to maximise throughput and achieve target performance levels, managing the team of cheese technicians to ensure good operational performance, monitoring and controlling waste of all materials and working with the engineering function to reduce downtime and optimise efficiency.

## **CHEESE TECHNICIANS**

Reporting to the Production Line Leader you will have responsibility for running the retail cheese cutting and packing lines and achieving daily output from the production plan to meet customer demand. The job involves machine operation, fulfilling all quality and processing checks, product packing and associated cleaning duties.

These are important roles within the production operation and we are looking for candidates who are keen for responsibility, who wish to develop their skills and contribute to a winning team, and be proactive to deliver improvement initiatives.

You will have a good general level of education, a good work ethic and be reliable & co - operative to work flexible shift patterns. Relevant experience gained in a fast moving environment, preferably food processing, is desirable.

In return the company offers plenty of challenge, attractive shift patterns, an on-site canteen, a good working environment and a competitive wage and benefit package.

Application forms may be obtained by e-mailing [hr@dalefarm.co.uk](mailto:hr@dalefarm.co.uk), by contacting the HR Department on (028) 9037 2089 or by downloading an application form from our website.

Completed applications must be received before 5.00 pm on **Monday 2nd August 2010.**
